

Diversity and Justice

Education should design-in meaningful diversity and real inclusion across all areas of activity.

All near future teaching should further social responsibility and global justice.

"Education should be diverse, accessible and human."

(NFT Blog, BME Liberation Group)

"For a university that is so diverse, I feel that there isn't as appreciation for the actual diverse group of people who are together." (NFT Video, Values 2)

"Inherent biases and prejudice should be challenged through critical engagement with literature, which is diverse in race, gender, sexuality, ability." (NFT Blog, BME Liberation Group)

"We resist precarious employment in all its forms - including short-term contracts, zero hour work and poverty wages." (Student Occupation)

"One of my lecturers and I had a discussion about the content being quite difficult to discuss... pretty much everyone bar the four of us are very middle class." (NFT Video, Values 2)
